National Seminar

ON

**"RESEARCH & PUBLICATIONS
ETHICS IN THE MODERN
RESEARCH"**

Organized by

CHIEF GUEST

Prof. (Dr.) Roshan Lal,
HoD (Psychology), Panjab University, Chandigarh &

GUEST OF HONOUR

Dr. Jagatvir Singh
HoD (Mathematics), AIJHM College, Rohtak

Seminar Overview :-

In the rapidly evolving landscape of modern research, ethical considerations are of paramount importance. This one-day seminar on "Research and Publication Ethics in Modern Research" aims to provide researchers, academics, and students with a comprehensive understanding of the ethical considerations involved in contemporary research practices and scholarly publication. This seminar exploring Research and Publication Ethics in Modern Academic Research. Seminar aims to delve into the ethical principles that underpin academic research and publication. This one-day event will provide participants with insights, discussions, and practical guidelines to navigate the complex ethical challenges that researchers and authors face in today's world. The seminar will feature expert speakers who will delve into various aspects of research ethics, ensuring attendees gain valuable insights and tools to uphold ethical integrity in their academic. To enhance participants' understanding of the ethical principles governing research and publication

Seminar Objectives :-

- To provide a comprehensive overview of various types of research misconduct and their implications.
- To discuss the nuances of authorship, plagiarism, and data integrity in modern research.
- To explore ethical considerations in research involving human subjects, animals, and indigenous knowledge.
- To promote transparency, integrity, and responsible conduct in research collaboration.
- To raise awareness about open access, copyright, and intellectual property issues.
- To foster a culture of research integrity and ethical behavior in academic and institutional settings.

Join us for a day of insightful discussions, interactive sessions, and networking opportunities as we collectively strive to uphold the highest ethical standards in modern academic research and publication.
